

Job Description

Job Title: Supervisor – Cleaning (Moy)

Reporting To: Shift Manager

Available Shifts: Night Shift (Mon – Fri; 21:30 – 06:00)

Job Purpose: Supervision of processes and employees at the meat production area on a busy automated production line as per company guidelines and objectives. Reporting and liaising with the Shift Manager on all aspects of control records, work practices and staff training.

Main Responsibilities:

- Take responsibility for all staff employed in the cleaning roles on their shift.
- Encourage cleaning operatives to meet or exceed cleaning targets to improve cleaning standards and support the delivery of the highest quality of cleaning.
- Ensure that all cleans meet quality control standards (BRC / Customer specific requirements).
- Train new cleaners to the company standard and maintain their skills training regularly relating to all work instructions and safe work practices.
- Manage and monitor material wastage and water usage to a minimum
- Demonstrate a commitment to Health & Safety by working in a safe manner, role modelling safety behaviours, challenging unsafe practices, rectifying unsafe conditions, and escalating to other team members when support is needed.
- Understand and adhere to Good Manufacturing Practices (GMP) and company standards of hygiene and PPE.
- Work as part of a team, playing an active part in the team and business successes. Engage with the daily challenges and opportunities and work effectively with others to overcome any issues.
- Managing stock and stock rotation of cleaning supplies

This is a list of the main responsibilities for this role; employees should note that they should be prepared to undertake additional duties deemed necessary by their line manager or the management team of Mackle Petfoods.
